Armed Services Technical Information Agency Availability Notice

Qualified requesters may obtain copies of this report from Armed Services Technical Information Agency, Arlington Hall Station, ATTN: TIPCR, Arlington 12, Virginia.

Chemical Research and Development Laboratories Special Publication 4-39
JOURNAL ARTICLES JANUARY - DECEMBER 1961

APPROVED:

J. P. MITCHELL
Director of Technical Services

FOREWORD

This list of articles published in scientific, technical, or professional journals during January-December 1961 was compiled from reprint orders and notifications of publication made available by the authors. The articles are listed chronologically within each directorate.

A file of reprints, covering all but a few articles, is available in the Technical Reporting Center, Technical Information Division. In most cases, copies of reprints may be obtained from the authors.

Disposition

When this document has served its purpose, DESTROY it. DO NOT return the document to U. S. Army Chemical Research and Development Laboratories.
